
Foundation Governors for Park Street School

Can you help us FLOURISH at Park Street School?

The Vicar and PCC of Holy Trinity Church are looking to recruit three new Foundation Governors for our church school. Successful applicants will join the school at an exciting time with our new Head Teacher having completed two successful years in post.

- Are you a Christian who would like to serve our local community?
- Would you like to nurture, encourage and challenge our school to live out its Christian foundation in partnership with us?
- Do you like working in a team?
- Do you have specific skills or experience that could be relevant to school leadership? Some current examples include knowledge of buildings, marketing, law, education or you may have other skills and experience which could bring value.

Holy Trinity Parish Church

Our Vision is to be a family of disciples of all ages who love the Lord, love the Bible, love each other and love to make more disciples. We are a church of all ages with two Sunday congregations and serve our community through groups for toddlers, children, teenagers and adults. Holy Trinity staff (and those from Park Street Baptist Church) take weekly Collective Worship in school.

There are 8 Foundation Governors. Some are from Holy Trinity parish, some from other local churches. We welcome applicants from all christian traditions who will share our vision.

The Full Governing Body meets four times per year. There are Governor Visit Days once per term. Governors will also develop a link with a subject leader or a class and share in other school occasions. The skills you have could help the governing team in many other ways as you are able. The appointment is a four-year term. You will require a DBS check and regular training.
